Cover Letter: AI Website Designer / Builder

dNovo Group Toronto 2026-07-05

Dear dNovo Group Hiring Team,

I am writing to express my interest in the AI Website Designer / Builder position at dNovo Group. With a strong background in AI solutions and web design, I am excited about the opportunity to leverage my skills to create modern, conversion-focused websites for your clients.

As an AI Agent Architect with extensive experience in developing AI-driven solutions, I have a unique blend of technical expertise and a keen eye for design. My work in automating business processes and optimizing user experiences aligns perfectly with the goals of dNovo Group.

- **Developed an AI-driven lead qualification agent that automated the qualification process for incoming leads.**, Reduced response time from 4 hours to just 3 minutes, significantly improving customer engagement.
- **Designed and implemented an AI voice agent for a real estate agency that autonomously engaged clients.**, Enhanced client consultation efficiency, allowing for seamless interactions without human intervention.
- **Created a multi-agent system for customer support that intelligently escalated queries based on context.**, Successfully reduced the workload on live operators by 50%, while maintaining high service quality.

I understand that dNovo Group is seeking someone who can efficiently use AI tools to create high-quality websites. My experience in automating workflows and my ability to design user-centric solutions will directly address your need for quick and effective website creation. I excel at using AI to troubleshoot issues and enhance user experience, ensuring that the websites I build are not only visually appealing but also optimized for conversions.

I am eager to bring my expertise in AI and web design to dNovo Group and contribute to your mission of helping businesses grow. Thank you for considering my application. I look forward to the opportunity to discuss how I can support your team.
